SNJ CHARITABLE TRUST

DIGITAL SKILLS, NHS APP & SMART USE OF SMART PHONE!

SNJ Charitable Trust has empowered 275 learners in the UK — young and old — to confidently use the NHS App, access online banking, and navigate the digital world with ease. Now, we're expanding our mission to India, where we're set to open a Computer Centre for students from marginalized communities with no access to technology or digital education. This center will offer free computer training, opening doors to better job opportunities and a brighter future. Together, we're changing lives through digital empowerment.

CONTRIBUTE TO OUR EFFORTS!

Mental Health & Well being Support

SNJ Charitable Trust has supported 155 people through counselling, art, and community groups like Knitters & Natters. Our Preloved to Re-loved Sarees Fashion Show, led by Jenny Murphy, was a joyful celebration—highlighted by our 88-year-old SNJ veteran on the runway with her handmade clutch. A beautiful blend of creativity and mental well-being support.

SNJ Diabetic Project

At SNJ Charitable Trust, we believe every child deserves hope, health, and the chance to learn. Through our SNJ Diabetic Project, we now support 50+ children in India with lifesaving insulin and medical care for Type 1 diabetes. This initiative ensures they grow up with strength and dignity. Heartfelt thanks to Dr. Risham Kaur and Anu Joshi for leading this effort with compassion and dedication—proving that health is a right, not a privilege.

CHANGING LIVES, ONE CHILD AT A TIME

SNJ Charitable Trust believes the greatest return on investment comes from supporting children eager to learn but unable to afford education. Thanks to your generosity, many of our sponsored students are now doctors, nurses, physiotherapists, lawyers, and accountants. She recently shared: "My internship is now completed. I'm preparing for my Post Graduate exam on 15th June 2025. And I'm engaged to my colleague Dr. Prem!"

Take Priyanka Kandhar, for example. From student to doctor — and now bride-to-be — Priyanka's journey shows how your support transforms lives.

A New Chapter Begins!

On April 5th, SNJ Charitable Trust officially launched its Delhi Chapter with a well-attended event featuring speakers from health and education. Thanks to Deepak Sareen for his support in making this possible. The new Delhi Team is eager to drive SNJ's mission forward in the capital. Stay tuned for more updates!
